

Individual Application for Guest Students

Student applicants are to complete the top portion of the application (student information). After completing the top portion, forward the application to your academic program department. Please have your faculty advisors, academic advisor or program administrator complete the middle portion of the application (recommendation). After the top portion and middle portion are complete, forward the application to the Registrar's Office. Please have the Registrar's Office complete the bottom portion (registrar approval). When all three (3) sections are complete, forward the application to VAI (see contact information below).
